**STATE OF LOUISIANA
DEPARTMENT OF ECONOMIC DEVELOPMENT
AND
LOUISIANA IMMERSIVE TECHNOLOGIES ENTERPRISE COMMISSION**

COOPERATIVE ENDEAVOR AGREEMENT *(line item appropriation)*

THIS COOPERATIVE ENDEAVOR (sometimes herein referred to as “agreement” or as “contract”), has been made and entered into and is effective as of the 1ST day of JULY, 2008, by and between the **LOUISIANA DEPARTMENT OF ECONOMIC DEVELOPMENT** of the State of Louisiana, Capitol Annex Building, 1051 North 3rd Street, P. O. Box 94185, Baton Rouge, La. 70804-9185, hereinafter referred to as “State,” as “LED”, and/or as “Agency”, and **LOUISIANA IMMERSIVE TECHNOLOGIES ENTERPRISE COMMISSION**, officially domiciled at 537 Cajundome Drive, Lafayette, Louisiana 70506, hereinafter referred to as (“LITE”) or as “Contracting Party”.

ARTICLE I

WITNESSETH:

1.1 WHEREAS, Article VII, Section 14(c) of the Constitution of the State of Louisiana provides that “for a public purpose, the state and its political subdivisions...may engage in cooperative endeavors with each other, with the United States or its agencies, or with any public or private association, corporation, or individual;” and

1.2 WHEREAS, Act 19 of the 2008 Regular Session of the Louisiana Legislature, which was adopted in accordance with Article VII, Section 10, of the Constitution of the State of Louisiana, is the appropriation for the expenditure of State funds, and said Act 19 contains a line item appropriation within the Agency’s budget for the benefit of **LOUISIANA IMMERSIVE TECHNOLOGIES ENTERPRISE (LITE)** of which the sum of SEVEN HUNDRED FIFTY THOUSAND & NO/100 (\$750,000.00) DOLLARS has been allocated for this project, as set forth in Attachment A Plan, which is attached to this agreement and made a part hereof;

1.3 WHEREAS, the agency desires to cooperate with the Contracting Party in the implementation of the Project as hereinafter provided;

1.4 WHEREAS, the public purpose is described as: promote development of a digital media industry in Louisiana through educational and workforce development programs, and industrial infrastructure initiatives.

1.5 WHEREAS, the Contracting Party has provided all required information in accordance with the governor’s Executive Order BJ 2008-30 on accountability for line item appropriations; and is attached to this agreement and made a part hereof by reference as “Attachment E”.

NOW THEREFORE, in consideration of the mutual covenants herein contained, the parties hereto agree as follows:

ARTICLE II
SCOPE OF SERVICES

2.1 The Contracting Party shall: : Execute stage 1 of the Digital Media Technologies and Creative Processes Initiative. Establish and develop an educational and workforce development program to enable research, workforce pipeline creation, regional partnerships and domestic business and technology incubation in Louisiana's video game and digital media sectors.

2.2 Deliverables:

- (a) Design, conduct, document, and publish a statewide assessment of current resources available and necessary for development of the game and digital media sectors in Louisiana;
- (b) Research, document, define and publish objective normative criteria for curriculum and programs to train students in 21st century digital media industry skills from middle school to the workforce using industry best practices;
- (c) Design, conduct, document and report on an educational pilot program at a Louisiana middle or high school to demonstrate the features and benefits of workforce training programs that accelerate student knowledge and practice of game industry tools and processes;
- (d) Design, conduct, document and report on seminars and intensives for students, parents, teachers, economic development professionals, and elected officials;
- (e) Create a game development laboratory and incubator at LITE for the study, coordination, and commercialization of game, simulation and digital media products and services;

Contracting Party will provide to State written quarterly **Progress Reports (Attachment C)** outlining the Contracting Party's resources, initiatives, activities, services and performance consistent with the provisions, goals and objectives of this agreement and monthly or at least quarterly **Cost Reports (Attachment D)** which provide detailed cost information outlining the use of appropriated funds. **Attachment C Progress Report** and **Attachment D Cost Report** are attached to this agreement and made a part thereof by reference.

2.3 Budget: The **Budget** for this project is incorporated herein as "**Attachment B**" which is attached hereto and made a part hereof by reference and shows all anticipated revenues and expenditures provided by this cooperative endeavor. The **Budget** for this project shall not exceed the total sum of **SEVEN HUNDRED FIFTY THOUSAND & NO/100 (\$750,000)** which sum shall be inclusive of all costs or expenses to be paid by State in connection with the services to be provided under this agreement. This is the total sum that has been appropriated for this project by State. No state funds shall be paid for any one phase of this agreement that exceeds the categories shown on the **Budget** attached as "Attachment B", without the prior approval of State.

ARTICLE III **CONTRACT MONITOR**

3.1 The Contract Monitor for this contract is Sherri McConnell; however, the Secretary of LED, or his designee, will designate and may change from time to time, one or more persons on his staff to act as the LED's project representative or as the "Contract Monitor" for this contract, to provide liaison between the Contracting Party and the LED, and to perform various duties which are specifically provided for in this agreement; and any changes in the Contract Monitor shall not require any amendment to this agreement.

3.2 Monitoring Plan: (A) During the term of this agreement, Contracting Party shall discuss with State's Contract Monitor the progress and results of the project, ongoing plans for the continuation of the project, any deficiencies noted, and other matters relating to the project. Contract Monitor shall review and analyze Contracting Party's **Plan** to ensure Contracting Party's compliance with contract requirements.

(B) The Contract Monitor shall also review and analyze the Contracting Party's written **Progress Reports** and **Cost Reports** and any work product for compliance with the Scope of Services; and shall

1. Compare the Reports to Goals/Results and Performance Measures outlined in this contract to determine the progress made;
2. Contact Contracting Party to secure any missing deliverables;
3. Maintain telephone and/or e-mail contact with Contracting Party on contract activity and, if necessary, make visits to the Contracting Party's site in order to review the progress and completion of the Contracting Party's services, to assure that performance goals are being achieved, and to verify information when needed.
4. Assure that expenditures or reimbursements requested in **Cost Reports** are in compliance with the approved **Budget**. Contract Monitor shall coordinate with agency's fiscal office for reimbursements to Contracting Party and shall contact Contracting Party for further details, information or documentation when necessary.

(C) Between required performance reporting dates, Contracting Party shall inform Contract Monitor of any problems, delays or adverse conditions which will materially affect the ability to attain program objectives, prevent the meeting of time schedules and goals, or preclude the attainment of project results by established time schedules and goals. Contracting Party's disclosure shall be accompanied by a statement describing the action taken or contemplated by the Contracting Party, and any assistance which may be needed to resolve the situation.

ARTICLE IV **PAYMENT TERMS**

4.1 Provided Contracting Party's progress and/or completion of the Contracting Party's services are to the reasonable satisfaction of State, payments to the Contracting Party shall be made by State on a reimbursement basis, after receipt from the Contracting Party and approval by State of monthly or quarterly **Cost Reports** requesting reimbursement, and certifying that such expenses have been incurred. Adequate supporting documentation (including copies of invoices, checks and other appropriate records reflecting expenses incurred) shall be attached to the reports. All original documentation supporting the reports shall be maintained by Contracting Party, and shall be subject to audit, as hereinafter stated.

4.2 Travel expenses, if any, shall be reimbursed only in the event that this agreement provides for such reimbursement, such travel expenses are included in the Contracting Party's approved compensation, budget or allocated amount, and then only in accordance with Division of Administration Policy and Procedure Memorandum No. 49. Invoices and/or receipts for any pre-approved reimbursable expenses or travel expenses must be provided or attached to periodic invoices for reimbursement.

4.3 Reimbursements under this agreement will be allowed only for expenditures occurring between and including the dates of **July 1, 2008 and June 30 2009** and this project and all of the Contracting Party's

services shall be completed by that date. Payment is contingent upon the availability of funds and upon the approval of this agreement by the Office of Contractual Review.

4.4 The Contract Monitor shall monitor disbursements on a monthly or at least quarterly basis. Under circumstances such that the Contracting Party has not demonstrated substantial progress towards goals and objectives, based on established measures of performance, further disbursements shall be discontinued until substantial progress is demonstrated or the entity has justified to the satisfaction of the agency reasons for the lack of progress. If the agency determines that the recipient failed to use the Line Item Appropriation within the estimated duration of the project or failed to reasonably achieve its specific goals and objectives, without sufficient justification, the agency shall demand that any unexpended funds be returned to the state treasury unless approval to retain the funds is obtained from the Division of Administration and the Joint Legislative Committee on the Budget.

4.5 Taxes: Contracting Party hereby agrees that the responsibility for payment of taxes from the funds thus received under this agreement and/or legislative appropriation shall be Contracting Party's obligation and identified under Federal tax identification number 13-4342459.

ARTICLE V **TERMINATION FOR CAUSE**

5.1 The State may terminate this agreement for cause based upon the failure of Contracting Party to comply with the terms and/or conditions of the agreement; provided that the State shall give Contracting Party written notice specifying Contracting Party's failure. If within thirty (30) days after receipt of such notice, Contracting Party shall not have either corrected such failure or, in the case which cannot be corrected in thirty (30) days, begun in good faith to correct said failure and thereafter proceeded diligently to complete such correction, then the State may, at its option, place Contracting Party in default and the agreement shall terminate on the date specified in such notice. Contracting Party may exercise any rights available to it under Louisiana law to terminate for cause upon the failure of the State to comply with the terms and conditions of this agreement; provided that the Contracting Party shall give the State written notice specifying the State's failure and a reasonable opportunity for the State to cure the defect.

ARTICLE VI **TERMINATION FOR CONVENIENCE**

6.1 The State may terminate the agreement at any time by giving thirty (30) days written notice to Contracting Party. Upon receipt of notice, Contracting Party shall, unless the notice directs otherwise, immediately discontinue the work and placing of orders, for materials, facilities, services and supplies in connection with the performance of this Agreement. Contracting Party shall be entitled to payment for deliverables in progress, to the extent work has been performed satisfactorily.

ARTICLE VII **OWNERSHIP**

7.1 All records, reports, documents and other material delivered or transmitted to Contracting Party by the State shall remain the property of the State, and shall be returned by Contracting Party to the State, at Contracting Party's expense, at termination or expiration of this agreement. All records, reports, documents, or other material related to this agreement and/or obtained or prepared by Contracting Party in connection with performance of the services contracted for herein shall become the property of the State,

and shall, upon request, be returned by Contracting Party to the State at Contracting Party's expense at termination or expiration of this agreement.

ARTICLE VIII
ASSIGNMENT

8.1 Contracting Party shall not assign any interest in this agreement and shall not transfer any interest in same (whether by assignment or novation), without prior written consent of the State, provided however, that claims for money due or to become due to Contracting Party from the State may be assigned to a bank, trust company, or other financial institution without such prior written consent. Notice of any such assignment or transfer shall be furnished promptly to the State.

ARTICLE IX
FINANCIAL DISCLOSURE

9.1 Each recipient shall be audited in accordance with R.S. 24:513. If the amount of public funds received by the provider is below the amount for which an audit is required under R.S. 24:513, the transferring agency shall monitor and evaluate the use of the funds to ensure effective achievement of the goals and objectives.

ARTICLE X
AUDITOR'S CLAUSE

10.1 It is hereby agreed that the Legislative Auditor of the State of Louisiana, and/or the Office of the Governor, Division of Administration auditors shall have the option of auditing all records and accounts of Contracting Party which relate to this agreement.

10.2 Contractor and any subcontractors paid under this agreement shall maintain all books and records pertaining to this agreement for a period of three years after the date of final payment under the prime contract and any subcontract entered into under this agreement.

ARTICLE XI
AMENDMENTS IN WRITING

11.1 Any alteration, variation, modification, or waiver of provisions of this agreement shall be valid only when it has been reduced to writing, executed by all parties and approved by the Director of the Office of Contractual Review, Division of Administration.

ARTICLE XII
FISCAL FUNDING CLAUSE

12.1 The continuation of this agreement is contingent upon the appropriation of funds to fulfill the requirements of the agreement by the legislature. If the legislature fails to appropriate sufficient monies to provide for the continuation of the agreement, or if such appropriation is reduced by the veto of the Governor or by any means provided in the appropriations act to prevent the total appropriation for the year from exceeding revenues for that year, or for any other lawful purpose, and the effect of such reduction is to provide insufficient monies for the continuation of the agreement, the agreement shall terminate on the

date of the beginning of the first fiscal year for which funds are not appropriated.

ARTICLE XIII
TERM OF CONTRACT

13.1 This agreement shall begin as of **July 1, 2008**; the Contractor's services hereunder and this project shall be completed by **June 30, 2009**; and this contract shall terminate on **July 31, 2009**, unless amended in writing and approved by all parties, including the Division of Administration, Office of Contractual Review. Any amendment to extend the date to complete the project must be fully executed by June 30, 2009.

ARTICLE XIV
DISCRIMINATION CLAUSE

14.1 The Contracting Party agrees to abide by the requirements of the following as applicable: Title VI and VII of the Civil Rights Act of 1964, as amended by the Equal Opportunity Act of 1972, Federal Executive Order 11246, the Federal Rehabilitation Act of 1973, as amended, the Vietnam Era Veteran's Readjustment Assistance Act of 1974, Title IX of the Education Amendments of 1972, the Age Act of 1975, and Contracting Party agrees to abide by the requirements of the Americans with Disabilities Act of 1990. Contracting Party agrees not to discriminate in its employment practices, and will render services under this contract without regard to race, color, religion, sex, sexual orientation, national origin, veteran status, political affiliation, or disabilities. Any act of discrimination committed by Contracting Party, or failure to comply with these statutory obligations when applicable shall be grounds for termination of this agreement.

ARTICLE XV.
AGREEMENT APPROVAL

This agreement shall not be effective until it has been approved and signed by all parties, and until it has been approved by the Division of Administration, Office of Contractual Review.

ARTICLE XVI.
CHOICE OF LAW

This is a Louisiana contract and all of its terms shall be construed in accordance with and all disputes shall be governed by the laws of the State of Louisiana, of the United States of America; and all parties submit themselves to the jurisdiction of the Courts located in the Parish of East Baton Rouge, in the State of Louisiana, in the event of any legal proceedings in connection with this contract.

ARTICLE XVII.
ENTIRE AGREEMENT

This agreement, together with any exhibits and/or attachments specifically incorporated herein by reference, constitute the entire agreement between the parties with respect to the subject matter of this agreement.

“ATTACHMENT A” PLAN

NAME OF CONTRACTING PARTY:

LOUISIANA IMMERSIVE TECHNOLOGIES ENTERPRISE COMMISSION

NAME AND BRIEF NARRATIVE OF PROGRAM:

DIGITAL MEDIA INDUSTRIAL DEVELOPMENT INITIATIVE

Program Goals, Objectives, Expected Outcomes/Results Activities and Related Performance Measures (Duplicate pages as needed for each goal identified). What are the goals, objective(s), expected outcomes/results for this program: Indicate the goals/objectives for this program. Indicate the expected outcomes/results for each goal. Explain how each goal, objective, outcome/result is measured. Identify activities that will be implemented to achieve expected outcomes, the person(s) responsible for implementing the activity, and the expected completion date.

1. Program Goal (*Goals are the intended broad, long-term results. Goals are clear statements of the general end purposes toward which efforts are directed.*)

Execute stage 1 of the Digital Media Technologies and Creative Processes Initiative. Establish and develop an educational and workforce development program to enable research, workforce pipeline creation, regional partnerships and domestic business and technology incubation in Louisiana’s video game and digital media sectors.

2. Program Objective(s) (*Objectives are intermediate outcomes--specific, measurable steps towards accomplishing the goal. They identify the expected outcomes and results.*)

1. Establish an independent, comprehensive baseline assessment with supporting data for the game and digital media sector in Louisiana;
2. Establish independent, industry-based criteria for game and digital media education and training in Louisiana;
3. Demonstrate the features of benefits of game and digital media education and training in a pilot Louisiana high school and middle school program;
4. Educate and develop Louisiana stakeholders (students, parents, teachers, economic development professionals, and elected officials) through industry led seminars;
5. Establish a laboratory for research, incubation and commercialization of digital media technologies and creative processes;

3. Relevant Activity (Activities) (*An activity is a distinct subset of functions or services within a program.*)

1. Conduct, document, and publish a statewide assessment of current resources available and necessary for development of training in the game and digital media sectors;
2. Research, document, define and publish objective normative criteria for curriculum and programs to train students in 21st century digital media industry skills from middle school to the workforce using industry best practices;
3. Conduct, document and report on an educational pilot program at a Louisiana middle or high school to demonstrate the features and benefits of workforce training programs that accelerate student knowledge and practice of game industry tools and processes;
4. Conduct, document and report on seminars and intensives for students, parents, teachers, economic development professionals, and elected officials;
5. Create a game development laboratory and incubator at LITE for the study, coordination, and commercialization of game, simulation and digital media products and services;

4. Performance Measure(s) (*Measure the amount of products or services provided or number of customers served. Specific quantifiable measures of progress, results actually achieved and assess program impact and effectiveness.*)

1. Conduct, document, and publish a statewide assessment of current resources available and necessary for development of the game and digital media sectors;
 - a. Design statewide assessment
 - b. Conduct statewide assessment including fieldwork
 - c. Document and analyze data
 - d. Publish statewide assessment

Services Provided: Collection and analysis of statewide games and digital media training programs and resources. Collection and analysis of legal, economic and public policy environment.

Products Provided: Report on statewide games and digital media training programs and resources. Report on legal, economic and public policy environment.

Number of Customers Served: All stakeholders.

[4. Performance Measures (continued)]

2. Research, document, define and publish objective normative criteria for curriculum and programs to train students in 21st century digital media industry skills from middle school to the workforce using industry best practices;
 - a. Research normative criteria
 - b. Document normative criteria
 - c. Define recommended criteria and standards for Louisiana
 - d. Publish recommended criteria and standards.

Services Provided: Creation of objective normative criteria for curriculum to train students in 21st century digital media industry skills from middle school to the workforce using industry best practices.

Products Provided: Report on objective normative criteria for curriculum to train students in 21st century digital media industry skills from middle school to the workforce using industry best practices.

Number of Customers Served: All stakeholders.
3. Design, prototype and report on an educational pilot program to demonstrate the features and benefits of workforce training programs that accelerate student knowledge and practice of game industry tools and processes;
 - a. Design pilot program with participating school
 - b. Prototype pilot program with participating school
 - c. Document results with participating school
 - d. Report on pilot program results

Services Provided: Design and prototyping of an educational program for accelerating student knowledge and practice of game industry tools and processes.

Products Provided: Report; Sample Distance Learning Module

Number of Customers Served: 100+ Students, teachers, and parents.
4. Conduct, document and report on seminars and intensives for students, parents, teachers, economic development professionals, and elected officials;
 - a. Design, develop and publish resource website for stakeholders.
 - b. Conduct seminars and two (2) training 'intensives' for stakeholders.
 - c. Document participation, content and results of seminars and intensives.
 - d. Publish results of seminars and intensives.

Services Provided: Deliver seminars and training sessions that accelerate knowledge and practice of game industry tools and processes.

Products Provided: Report on training sessions.

Number of Customers Served: 50 Students; 100+ Stakeholders
5. Create a game development laboratory and incubator at LITE for the study, development, and commercialization of game, simulation and digital media products and services;
 - a. Design laboratory and incubator
 - b. Document and publish processes and specifications.
 - c. Create, deploy equipment and systems, staff.
 - d. Prototype alpha online environment.

Services Provided: Design, specify and prototype a game development laboratory and virtual world research and commercialization incubator at the LITE Center;

Products Provided: Virtual World prototype;

Number of Customers Served: All Stakeholders.
