STATE OF LOUISIANA
OFFICE OF THE LT. GOVERNOR
LOUISIANA SERVE COMMISSION
GRANT AGREEMENT

BE IT KNOWN, the Louisiana Serve Commission, Office of the Lt. Governor of the State of Louisiana (hereafter sometimes referred to as the "State" or "LA Serve") and City Year Baton Rouge (hereafter sometimes referred to as "Grantee") do hereby enter into this agreement ("Agreement") under the following terms and conditions.

1. Services

Grantee hereby agrees to update and redevelop the external learning areas of LaBelle Aire Elementary and Belaire High Schools to include but not limited to: painting murals in the four Bengal Lair courtyards, expanding the vegetable garden cared for by the ESS students, refurbishing the basketball court, bathrooms, stage in the auditorium and cafeteria. LaBelle Aire Elementary will have the math garden refurbished and expanded, as well as painting the mural on the basketball court.

2. Purpose of the Grant

The goal of this Grant Agreement is to promote both the elementary and high school students to truly make an investment and take pride in their schools and subsequently, their education. The celebration of life and legacy of Dr. King is to engage members, leaders and stakeholders in a day on rather than a day off in a way that is both transformative and unique.

3. Grant Award

In consideration of the work described above, the State hereby agrees to pay Grantee a maximum sum of \$750.00.

This funding is contingent upon the availability of funds appropriated to the State by the Louisiana Legislature or accruing to the State from other sources. The grant amount shall be paid in accordance with the following requirements:

a. **Terms.** The term of the grant agreement is one month, beginning December 21, 2011 and ending on January 31, 2012, unless ended earlier for cause, by mutual consent of both parties or due to lack of confirmation of funding.

b. **Reimbursement Requests.** Reimbursement Requests are submitted under this Grant Agreement for payments. Payments will be made as a reimbursement for work completed and goods & services that have been received. Grantee may submit a Reimbursement Request based on work and Goods & Services that have been invoiced, but not received, with prior approval of the Grant Monitor. Grantee shall submit to the Grant Monitor with the final original invoice, a Final Report, and all supporting documentation required to verify that the qualifying marketing expenses were actually incurred by the grantee in compliance with the terms of the Grant Agreement, due no later than thirty (30) days of the end of the Grant Agreement.

c. **Payment.** The Grant Monitor shall review and verify the invoice(s), and all supporting documentation for compliance with the grant Agreement. Upon approval, Grant Monitor shall authorize the invoice(s) for payment. Reimbursement usually takes 2-4 weeks.

The State will reconcile the invoice to the supporting documentation. The State will adjust payments downward in the event the invoice(s) includes a request for payment of expenses that are not qualifying expenses, the State has not been acknowledged, the documentation to support the expense is missing or

inadequate, or for noncompliance with the terms of this agreement. The State will provide the Grantee notice of the defect and a reasonable opportunity to cure.

If it is determined by the Grant Monitor or by an audit that State funds were expended on non-reimbursable expenses, Grantee will be required to repay the State. If the Grantee defaults on the agreement, breaches the terms of the agreement, or ceases to do business, it shall be required to repay the State in accordance with the State's terms or requirements.

If the Grantee wishes to propose any changes to this Agreement, the Grantee must submit any such proposed changes to the State in writing. Revision of the Scope of Work or Budget may be allowable, but must have prior written approval from the State. Any item not listed in the scope of Work or Budget that has not been approved by the Grant Monitor will not be considered an eligible expense and may not be approved for payment. Any change to this agreement requires a written amendment, executed by all parties, as set forth herein.

d. **Appropriations Act for FY 2011-2012.** No funds appropriated under the Appropriations Act for FY 2011-2012 shall be transferred to a public or quasi-public agency or entity which is not a budget unit of the state unless the entity (e.g., a grantee) executes an agreement (e.g., a grant agreement) and submits to the transferring agency (e.g., LA Serve), for approval, a comprehensive Budget showing all anticipated uses of the appropriation, an estimate of the duration of the project, and a plan showing specific goals and objectives for the use of such funds, including measures of performance. The transferring agency shall submit the Agreement, the Budget and any other required information to the legislative Auditor for approval at ebudgets@lla.la.gov.

4. Amendments

The sub-grantee must obtain the prior written approval of the Commission before making changes in the approved grant, including changes in the scope, objectives or goals of the program, whether or not they involve budgetary changes; and/or substantial changes in the Level of participation supervision. The request shall be valid only when in accordance with the Volunteer Generation Fund provisions.

5. Acknowledgment Statement

The following statement shall appear prominently positioned next to the official logo of AmeriCorps and shall appear in close proximity to the name of the sub-grantee organization in all printed and broadcast promotional material, publicity, advertising and printed programs supported by this grant: "Supported by a grant from the Louisiana Serve Commission in the Office of the Lieutenant Governor Jay Dardenne."

6. Termination

Either party may terminate this grant at any time by giving thirty (30) days written notice. This agreement, if terminated, shall terminate as of the last day of the month following the date of the original notice or on a mutual agreed upon date.

The Commission may terminate this contract for cause based upon the failure of the sub-grantee to comply with the terms and/or conditions of the grant agreement; provided that the Commission shall give the sub-grantee written notice specifying the sub-grantee's failure. If within thirty (30) days after receipt of such notice, the sub-grantee shall not have either corrected such failure and thereafter proceeded diligently to complete such correction, then the Commission may, at its option, place the sub-grantee in default and the grant agreement shall terminate on the date specified in such notice.

The sub-grantee may exercise any rights available to it under Louisiana law to terminate for cause upon the failure of the Commission to comply with the terms and conditions of this grant agreement; provided that the sub-grantee shall give the Commission written notice specifying the commission's failure and a reasonable opportunity for the Commission to cure the defect.

7. Retention of Records

The Sub-grantee must retain and make available all financial records, supporting documentation, statistical records, evaluation and program performance data, member information and personnel records for three (3) years from the date of the submission of the final Financial Status Report (SF 269A). If an audit is started prior to the expiration of the three (3) year period, the records must be retained until the audit findings involving the records have been resolved and final action taken.

8. Audits

A sub-grantee that expends \$500,000 or more of total federal awards in a fiscal year is required to obtain a single audit for that year conducted by an independent auditor in accordance with the Single Audit Act, as amended, 31 U.S.C. 7501, et seq., and OMB Circular A-133 (If the sub-grantee expends federal awards under only one federal program, it may elect to have a program specific audit, if it is otherwise eligible.) A sub-grantee that does not expend \$500,000 in federal awards is exempt from the single audit requirement of OMB Circular A-133 for that year. However, it must continue to conduct financial management reviews of its programs, and records must be available for review and audit. Audit reports will be submitted within thirty (30) days of the completed report.

It is hereby agreed that auditors from the Louisiana Division of Administration, the Louisiana Serve Commission and the Legislative Auditor of the State of Louisiana shall have the option of auditing all accounts of Grantee that are related to this grant.

9. Taxes

The Grantee hereby agrees that the responsibility for payment of taxes, if any, from the funds thus received under this agreement and/or legislative appropriation shall be Grantee's obligation and identified under Federal Tax identification number 22-2882549.

10. Assignment of Interest

The Grantee shall not assign any interest in this grant and shall not transfer any interest in same (whether by assignment or notation), without prior written consent of the State, provided however, that claims for money due or to become due to the Grantee from the State may be assigned to a bank, trust company, or other financial institution without such prior written consent. Notice of such assignment or transfer shall be furnished promptly to the State.

11. Anti-discrimination

The Grantee agrees to abide by the requirements of the following as applicable: Title VI and VII of the Civil Rights Act of 1964, as amended by the Equal Employment Opportunity Act of 1972, Federal Executive Order 11246 as amended, the Federal Rehabilitation Act of 1973 as amended, the Vietnam Era Veteran's Readjustment Assistance Act of 1974, Title IX of the Education Amendments of 1972, the Age Discrimination Act of 1972, the Fair Housing Act of 1968 as amended, and Grantee agrees to abide by the Requirements of the Americans with Disabilities Act of 1990. Grantee agrees not to discriminate in its employment practices, and will render services under this agreement without regard to race, color, religion, sex, sexual orientation, national origin, veteran status, political affiliation or disabilities. Any act of discrimination committed by the Grantee, or failure to comply with these statutory obligations when applicable shall be grounds for termination of this Agreement.

Role: In addition to providing volunteers, Our Lady of the Lake College will be supporting the event financially.	

I affirm that our organization is a partner with the applicant for *MLK Day 2012*

Please specify which grant type you are applying for:

City-Wide Project

Community Based Mini-Grant

Briefly describe the proposed project:

In an effort to celebrate the life and resounding legacy of Dr. Martin Luther King Jr., City Year Baton Rouge will engage members, leaders, and stakeholders of the Baton Rouge community in a powerful day of service that is both transformative and unique; the event will take place primarily at Belaire High School—"Home of the Bengals"—with additional service projects taking place at the "Home of the Baby Bengals", La Belle Aire Elementary.

Both of these schools have been educating Baton Rouge youth for over three decades and City Year recognizes that in order for their students to reach their fullest potential, they must be provided with a learning environment that is not only safe and inclusive, but also one that allows them to flourish intellectually while fostering their creativity.

It is for this reason that working hand in hand with our volunteers, we will extensively beautify the Belaire High School campus through various service projects on Monday, January 16th, 2012. These projects will include painting several murals to inspire and empower students, revitalizing the school's four "Bengal Lair" court yards so that students can have the option of learning in a stimulating environment far beyond the conventional classroom setting, and expanding a vegetable garden that is cared for by the school's ESS students.

Additional service projects include repainting Belaire's parking lot and basketball court lines, repainting the bathrooms in order to rid them of graffiti, trash/debris removal from around the school's campus, repainting the stage in the auditorium, and infusing a splash of color into the cafeteria through the painting of stripes in the school's colors (royal blue, burnt orange, and white) accompanied by a Bengal-themed mural.

In an effort to also boost the morale and uplift the collective spirit of the student body next door at La Belle Aire Elementary School, a few satellite projects have been established on this campus which include refurbishing the school's abandoned "Math Garden" by planting new seeds and applying a fresh coat of bright-colored paint to its plant beds and wooden structures as well as repainting a pre-existing mural on their basketball court which is now dull and chipping.

One of the larger outcomes that we at City Year are hoping for from his event is that it will prompt both the elementary and high school students to truly make an investment and take pride in their schools, and subsequently their education.

Describe how you will engage community volunteers, specifically volunteers with disabilities, and how you will share the story of Dr. Martin Luther King:

The main objective of City Year Baton Rouge's MLK Day 2012 event is to recognize Dr. King's dream of ultimate inclusivity through a "Beloved Community" where Baton Rouge community members of all backgrounds, ages, and abilities are welcome to come together and work towards the common goal of not only beautifying the campuses of Belaire High School and La Belle Aire Elementary School for aesthetic purposes, but also to create positive environments which stimulate their students' excitement to learn, and subsequently, their success. We want Dr. King's message that "everybody can be great, because everybody can serve" to resonate throughout the entire service day.

For Martin Luther King Day 2012, City Year plans on recruiting 275 volunteers. In order to engage community volunteers we will not only be posting the event on the www.volunteerslouisiana.gov, we will also be enlisting the help of the Capital Area United Way by promoting the event through their Volunteer! United website as well as its other affiliated websites. We will also be physically distributing flyers throughout neighborhoods and businesses in Baton Rouge in order to ensure a diverse volunteer turnout. This will also be a family-friendly event, as we also want children to recognize the power that lies within their hands.

Through phone-calls, electronic flyers, and e-mails, we plan to recruit community volunteers who have worked with us before and have sought us out in order to express interest in working with us again, specifically at our annual MLK Day event. These include other non-profit organizations, student groups, church groups, and companies located around the community. We will also be recruiting students and faculty from schools—such as Progress Elementary and Glen Oaks Park Elementary—in which City Year Corps Members formally served in order to maintain those partnerships even though we are no longer in those schools on a daily basis. Recruiting from the Belaire student body and faculty is also a high priority that we feel will prove to have a powerful outcome; we are recruiting through the City Year team that is based within Belaire, and therefore already have a very strong relationship with the school.

When it comes to specifically recruiting volunteers from the community with disabilities, we will be in contact (via phone and e-mail) with several organizations throughout Baton Rouge who specialize in the assistance, empowerment, and achievement of these individuals, including Families Helping Families of Greater Baton Rouge and ARC of Baton Rouge, with whom we have collaborated several times in the past. Both service sites are wheelchair accessible, and in order to ensure that every person who volunteers will be able to serve in some capacity, there is an extreme amount of variety found within the many projects that will be executed throughout the day.

Volunteer recruitment goal	275
Volunteers with disabilities recruitment goal	15

Provide a detailed summary of the project planning timeline, including recruitment and volunteer information.

A committee of 24 first-year City Year Baton Rouge Corps Members and Delicia Van Gurp, a second-year Corps Member as well as City Year's Project Team Leader, began planning the MLK Day 2012 event in early November. The Corps Members were broken up into four planning committees: Programming, Service, Recruitment, and Development. Belaire High School and La Belle Aire Elementary School were already secured by the City Year Staff as the official service sites prior to the actual event-planning process.

The first site visit to Belaire High School took place on November 8th, 2011. During the site visit, the Service Committee established potential service projects to be approved by Mrs. Domingue, the school principal by a later date.

During a meeting with Mrs. Domingue at Belaire High School on November 21st, 2011, the service projects were finalized and approved. The first La Belle Aire Elementary site visit also took place on November 21st. Along with the school's principal, Da'Anne Lipscomb, City Year established service projects that were approved during the site visit.

After project details were finalized, the Service Committee generated a list of supplies and materials necessary to carry them out. After inventorying the supplies that we did and did not have, the Development Committee created a list of outstanding supplies and materials. Though City Year is currently still in the process of finding out whether or not Aramark and the Mid-City Redevelopment Alliance (with whom we partnered for National Make a Difference Day) will be able to donate/loan any materials to us, we started asking businesses throughout the Baton Rouge community for food, refreshment and supply donations on December 12th, 2011.

A flyer for the event has been created and is awaiting approval by the City Year Baton Rouge Staff. Circulation of the flyer will begin on December 17th, 2011. In addition to detailing the event, the flyer directs potential volunteers to our pre-registration website, which will be launched in the upcoming weeks. We have however, already begun to recruit volunteers with whom we have worked in the past including students from Episcopal Middle, as well as Episcopal High School, ARC of Baton Rouge, and a group of local Starbucks employees. A large amount of students from Belaire High School have also begun to show their interest.

January 13th, 2012 has been designated as the day when all of the preliminary prep-work for the established projects will be taken care of by the entire City Year Baton Rouge Corps in the afternoon after students have been dismissed from the schools. This time will also be used for all Corps Members to familiarize themselves with the service sites;

those designated as project coordinators will receive training to prepare them for facilitating the volunteer experience—from welcoming and training volunteers before projects actually begin to leading them in clean-up and closing—while at the same time going over their individual projects in detail. Materials and supplies needed for MLK Day will be strategically stored at Belaire High School on the 13th, so that they can be easily accessed on the day of the event. The materials and supplies will be separated by Corps Members according to project, which will be the last aspect of preparation before the service officially starts.

Though some minor details are subject to change, the majority of the event-day timeline has been finalized. From 8:00am to 8:30am, pre-registered volunteers will sign in and those volunteers who did not pre-register, or need parental consent will fill out volunteer registration forms/waivers. Our Opening Ceremony—during which we will have a welcome from Mrs. Domingue, a keynote speaker, and also a speaker from the Belaire High School student body—will begin at 8:30am and conclude at 9:15am. From 9:15am to 9:30am volunteers will meet and become oriented with their City Year project leader and group for the day, as well as the projects that they will be working on. Service will officially begin at 9:30am and continue through 1:30pm. Lunch and refreshment rotations will occur between 11:30am and 1:00pm (though water will be available to volunteers throughout the day). From 1:30pm to 2:00pm, each team will debrief their day of service and clean-up. By 2:00pm, volunteers will be prompted to sign-out and go home.

In the days immediately following the event, an e-mail prompting volunteers to take a survey about their MLK experience will be sent out by the Recruitment Committee. Thank you letters will also be sent to all volunteers no later than a week after the event takes place.

Please attach a project budget. Up to 10 percent of the grant request may be allocated to Administrative Costs. Though no match is required, please indicate in-kind or cash donations from other community sources/partners.

Grant requests should be mailed, emailed, or faxed by December 19, 2011 to:
