**1. Services**

As provided in greater detail in the approved AmeriCorps application which is by this reference incorporated herein, sub-grantee agrees to provide the deliverables and perform the services as outlined in the submitted application, which includes performance measures and budget.

**2. Purposes of the Grant**

The general purpose of this grant agreement is to meet needs through service in communities, strengthening the ties that bind communities together, and developing the citizenship and skills of AmeriCorps members. Activities funded through this grant must help engage Americans of all backgrounds as members in community-based service that provides a direct and demonstrable benefit that is valued by the community. Service activities must result in a specific documented service or improvement that otherwise would not be provided with existing funds or volunteers and that does not duplicate the routine functions of workers or displaced paid employees.

**3. Grant Award**

In consideration of the services described above, the Commission agrees to pay the sub-grantee a maximum sum of *one hundred seventy-one thousand, nine hundred sixty-nine dollars* (\$171,969), to help fund 12.91 AmeriCorps "MSYs", conditioned upon the availability of funds appropriated to the Commission or accruing it from other sources. This sum shall be paid in accordance with the following requirements:

A. Term: The term of the grant agreement is sixteen (16) months, or one (1) "AmeriCorps program years", beginning August 1, 2011, and ending November 30, 2012, unless ended earlier for cause, by mutual consent of both parties or due to lack of continuation of funding.

B. Funding: The Corporation for National and Community Service, established from the National and Community Service Trust Act of 1993, awards funds to the Commission as appropriated annually through legislation of the federal government to expand opportunities for Americans to serve their communities. The Subgrantee agrees to provide a minimum match equivalent to 24% of the total expended funds received via this award.

**4. AmeriCorps Provisions**

The sub-grantee hereby certifies receipt of the AmeriCorps Provisions with this grant agreement. The sub-grantee agrees to abide by the federal funding regulations as stated in the provisions and the applicable Office of Management and Budget Circulars # A-87, A-102, A-110, A-122, A-128, and/or A-133 (<http://www.whitehouse.gov/omb/circulars>).

The sub-grantee must obtain the prior written approval of the Commission before making changes in the approved grant, including changes in the scope, objectives or goals of the program, whether or not they involve

budgetary changes; and/or substantial changes in the level of participation supervision. The request shall be valid only when in accordance with the AmeriCorps provisions.

#### **6. Acknowledgment Statement**

The following statement shall appear prominently positioned next to the official logo of AmeriCorps and shall appear in close proximity to the name of the sub-grantee organization in all printed and broadcast promotional material, publicity, advertising, and printed programs supported by this grant: ***"Supported by a grant from the Louisiana Serve Commission in the Office of Lieutenant Governor Jay Dardenne."***

#### **7. Criminal Record Checks**

Sub-grantees with members or employees who have substantial direct contact with children or who perform service in the homes of children or individuals considered vulnerable by the program, shall, to the extent permitted by state and local law, conduct criminal record checks on these members or employees as part of the screening process. This documentation must be maintained consistent with state law.

#### **8. Termination**

Either party may terminate this grant at any time by giving thirty (30) days written notice. This agreement, if terminated, shall terminate as of the last day of the month following the date of the original notice or on a mutual agreed upon date.

The Commission may terminate this contract for cause based upon the failure of the sub-grantee to comply with the terms and/or conditions of the grant agreement; provided that the Commission shall give the sub-grantee written notice specifying the sub-grantee's failure. If within thirty (30) days after receipt of such notice, the sub-grantee shall not have either corrected such failure and thereafter proceeded diligently to complete such correction, then the Commission may, at its option, place the sub-grantee in default and the grant agreement shall terminate on the date specified in such notice.

The sub-grantee may exercise any rights available to it under Louisiana law to terminate for cause upon the failure of the Commission to comply with the terms and conditions of this grant agreement; provided that the sub-grantee shall give the Commission written notice specifying the Commission's failure and a reasonable opportunity for the Commission to cure the defect.

#### **9. Retention of Records**

The sub-grantee must retain and make available all financial records, supporting documentation, statistical records, evaluation and program performance data, member information and personnel records for three (3) years from the date of the submission of the final Financial Status Report (SF 269A). If an audit is started prior to the expiration of the three (3) year period, the records must be retained until the audit findings involving the records have been resolved and final action taken.

#### **10. Audits**

(If the sub-grantee expends federal awards under only one federal program, it may elect to have a program specific audit, if it is otherwise eligible.) A sub-grantee that does not expend \$500,000 in federal awards is exempt from the single audit requirements of OMB Circular A-133 for that year. However, it must continue to conduct financial management reviews of its programs, and records must be available for review and audit.
