PROGRAM NARRATIVE

A. PROBLEM DEFINITION

1. Identify the nature and magnitude of the specific problem existing in your particular community that needs to be addressed through this proposed project. Document the need, not the symptoms or solutions. Be sure to include current valid local data to support the justification. Give the source and date of your information. State the needs of your agency and the needs of the victims in your area as related to this problem and justify the need for the proposed project.

Around the world at least 1 in 3 women has been beaten, coerced into sex, or otherwise abused in her lifetime. Most often the abuser is a member of her own family. (Johns Hopkins School of Public Health, 2000.) In the United States, an estimated 302,100 women and 92,700 men are forcibly raped each year. (Tjaden, Patricia and Thoennes, Nancy, November 1998.) Rape and sexual assault prevalence is difficult to determine because the crime is significantly underreported.

Using a definition of rape that includes forced vaginal, oral, and anal sex, the National Violence Against Women Survey (Violence Against Women Grants Office, (1998, July). Stalking and Domestic Violence: Third Annual Report to Congress Under the - Violence Against Women Act, p. 7. Washington, CD: U.S. Department of Justice.) found that 1 of 6 U.S. women and 1 of 33 U.S. men has experienced an attempted or completed rape as a child and/or an adult.

The Sexual Abuse Response Center (SARC) was founded in 1981 under the original name of Rape Crisis to provide immediate, comprehensive services to the victims of sexual assault, sexual abuse and violent crimes. The name was changed in 1995 to better define the scope of services that SARC provided, and in 1999 SARC merged with the Children's Advocacy Center to ensure that no survivor of a sexual crime went without immediate intervention. Today SARC services an 8-parish region to include Acadia, Iberia, Lafayette, St. Martin, St. Landry, St. Mary, Evangeline and Vermilion parishes. Rape continues to be a community problem in the Acadiana area. Referrals for counseling are received from community programs such as the Department of Child and Family Services (DCFS), Law Enforcement, DA Office, Big Brothers Big Sisters, Faith House and Family Tree to name a few.

An average of 30 new client services are requested each month. The SARC 2010 statistics provide that over 800 individual therapy sessions were provided and 1,000 plus crisis line calls answered. Education and awareness presentations were provided to over 8,600 students, parents, and professionals throughout the area. Training for law enforcement agencies, medical professionals and school board employees continue to show an increase from year to year. As awareness increases throughout the community, so too does the number of victims reporting their personal experiences. During the past decade, all forms of sexual trauma have received unprecedented societal acknowledgement. Greater numbers of victims and families are receiving assistance in dealing with the repercussions of sexual crimes.

Continued sexual assaults and abuses throughout the region, increases the demand on staff to provide training to mandated reporters, including clergy, teachers, counselor and principals.

2. Describe gap in community resources and how the gap was identified. Explain what need is created by this gap in services/programs.

Hearts of Hope is a founding member and active in the Lafayette Parish Sexual Assault Response Team (LPSART). A victim's survey was conducted to help identify gaps in services and to assess the quality of care given to victims. Continued opportunities to train staff members, volunteers, and allied health professionals in the areas significant to victims and their recovery is one area that Hearts of Hope - SARC addresses. By participating in monthly multidisciplinary LPSART meetings, our staff is able to help better train first responders and ensure collaboration to promote prosecution of substantiated abuse allegations.

B. GOALS

GOALS: The primary mission of all projects is to have a positive impact on the victims, not just to accumulate statistics on how many are served. Based on the problem identified, BRIEFLY state what the project hopes to accomplish. Do this by providing a clear statement of the effect this project will have on the problem.

Goal 1: SARC will assist 80 victims who report to local Emergency Rooms.

Goal 2: Conduct 500 individual therapeutic sessions with adult and child victims reporting sexual abuse or assault.

C. OBJECTIVES

OBJECTIVES: Provide at least TWO (2) measurable objectives for EACH goal. Objectives need to be measurable, observable aspects of the program. Identify who, what will change and by how much. Use absolute numbers, not percentages and be sure to include a baseline number.

Goal 1: SARC will assist 80 victims who report to local ER's.

Objective 1: SARC staff and volunteers will provide crisis intervention to victims of sexual assault/abuse who present at local ERs.

Objective 2: 15 victims will participate in follow-up counseling with SARC therapists.

Goal 2: Conduct 500 individual therapeutic sessions.

Objective 1: Therapists will begin treatment with 500 victims. Therapists will provide therapeutic sessions to alleviate anxiety resulting from the abuse. Each victim is allotted up to eight sessions.

Objective 2: 50% of clients or 250 will report decreased feelings of anxiety.

D. ACTIVITIES / METHODS

List the specific activities and/or services to be provided that will accomplish the objectives. Must include a timetable for achieving the various components of your project. Timetable must cover entire grant period. This must relate back to the Goals and Objectives. If this is a training project, omit this page and complete D-2 Training Programs.

Goal 1: SARC will assist 80 victims who report to local ER's.

Objective 1: SARC staff and Volunteers will be trained annually to monitor advancements in the treatment of the sexual abused/assaulted. The Coordinator will provide crisis intervention to the 80 victims of sexual assault/abuse in Lafayette area during the grant period. The funding for training is provided by other sources of SARC and not this grant.

Objective 2: The Crisis Intervention/Volunteer Coordinator will conduct monthly contacts with volunteers to assign volunteer hours and receive statistical information on the number of crisis line calls and ER victims escorted during the October – September grant period.

Goal 2: Conduct 500 therapeutic sessions.

Objective 1: Therapists will conduct weekly individual sessions with victim/survivors of sexual crimes and document progress and statistical information during the October – September grant period.

Objective 2: Pre and Post Evaluations will be given to the victims by the SARC therapists.

*Project will begin operations October 1, 2011 and be completed September 30, 2012.

H. PRIOR RESULTS (For Continuation Projects Only)

1. Based on the objectives of the previous application, what were the measurable outcomes? (Refer to the previous project's performance stated in the quarterly progress reports and other additional information.)

In 2010 Hearts of Hope - SARC assisted over 100 victims. SARC therapists conducted over 800 individual sessions. SARC volunteers and staff have screened over 1,400 telephone calls. SARC has conducted 304 educational presentations reaching over 8,000 people. SARC has assisted over 100 ER victims. Therapists have conducted a total of 805 individual sessions, and 273 educational presentations have been conducted reaching over 8,600 people.

Hearts of Hope has trained a total of 12 new volunteers, for a total of 50 active volunteers.

2. Did the project work as expected? Explain.

The project has worked as expected. Hearts of Hope continues to have an active and well trained staff of volunteer advocates to assist community members who call our crisis hotline 24 hours a day 7 days a week. Trained volunteers and staff members also accompany victims to ER's and provide support through the reporting and evidence collection process, if the victim chooses. Our Therapists conduct therapy sessions with survivors requesting crisis intervention counseling. Our agency offers 6 to 8 therapy sessions free of charge.

3. Have the original goals and objectives been revised? Yes No

If Yes, explain what changes will be made in the continuation of this project and why?

Unfortunately, due to economic hardships, Hearts of Hope no longer operates satellite offices. Victims are now seen at our main office in Lafayette only. Volunteers and staff still assist victims in all parishes.

LAFASA meets on a quarterly basis to discuss the needs and progress of individual SARC(s) across the state. A financial audit is conducted on the agency annually, with a fiscal year of January through December.

J. CONTINUATION

Yes No Do you plan to continue this project at the conclusion of federal support? Since continued VOCA funding is limited and not assured, alternate funding sources should be sought. Name the sources and potential sources of continued funding for this project at the conclusion of Federal support.

At the conclusion of the 2011-12 grant project, Hearts of Hope will again apply for CVA funding (2012-2013). Victims of sexual crimes are a very vulnerable group and this grant provides an invaluable resource. If for some reason, Hearts of Hope is denied funding for this project, the Board of Directors and the Executive Director will be responsible for seeking out community support in the forms of fund raising and donations, and/or replacement grants.

K. RESOURCES

Describe the facilities and additional resources available to this project. Include the physical facility where services are provided. If applicable, list other resources available to this project, i.e. equipment, supplies, staff, etc.

Hearts of Hope is a 4,000 square-foot building that is used by three programs. The Children's Advocacy Center (CAC) occupies 3,000 square feet of the building and has created an atmosphere that is child-oriented and professionally directed to the needs of children. The Sexual Abuse Response Center (SARC) and Sexual Assault Nurse Examiner (SANE) programs occupy the remaining area. The merger of the CAC and SARC has enabled the two programs to provide continuity of care for victims of sexual crimes, shared resources for volunteer training, and shared costs for operational and administration expenses. An alarm system ensures that clients, staff and assets are secured 24 hours a day.

L. AUDIT REQUIREMENTS

All applications must check one:

Yes No Are volunteers screened in compliance with the Louisiana Child Protection Act (LRS 15:587.1) as appropriate?

Volunteers are in compliance with the Louisiana Child Protection Act (LRS 15:587.1). Volunteers are utilized in two capacities: 1) Volunteers answer the 24-hour crisis line to provide immediate information of services and crisis intervention counseling for the victims and their families. In addition, volunteers answering the telephone receive calls from the hospital emergency rooms when families report sexual abuse of a child. The volunteer in turn contacts the Hearts of Hope escort and/or law enforcement agency and the SANE nurse. 2) Volunteers accompany victims and their family in the hospital emergency room setting, acting as a liaison between the SANE nurse, hospital personnel, law enforcement, child protection services and the victim. Volunteers are available between the hours of 4:00pm and 6:30am on weekdays and full weekend coverage. Volunteers must complete 40 hours of training prior to being placed on the volunteer call schedule.

It is a policy of the Center to encourage and explain the importance of reporting the sexual assault and/or abuse to the proper authorities. The SARC Volunteer Coordinator provides Sexual Assault Victimization Training to the Police Academy three to five times a year. Members of the Lafayette City Police Department in turn provide trainings to the volunteers. A seat on the Board of Directors is reserved for one member of each of the Lafayette PD, Lafayette Parish Sheriff's Office and University of Louisiana Police Department.
