Cooperative Endeavor Agreement
Louisiana Office of Tourism 2013-2014 Cooperative Marketing Program

THIS COOPERATIVE ENDEAVOR AGREEMENT (“Agreement”) is made and entered into on the dates and at the places listed below by and between the Louisiana Department of Culture, Recreation and Tourism, Office of Tourism, hereinafter sometimes referred to as “State” or “LOT,” and the Jeff Davis Parish Tourist Commission, a political subdivision of the State of Louisiana, domiciled and having its principal business address at 100 Rue de l’Acadie, Jennings, LA, 70546, hereinafter referred to as “Contractor.”

WITNESSETH:

WHEREAS, Article VII, Section 14 (c) of the Constitution of the State of Louisiana provides that “for a public purpose, the state and its political subdivisions...may engage in cooperative endeavors with each other, with the United States or its agencies, or with any public or private association, corporation, or individual,” and

WHEREAS, the Louisiana Department of Culture, Recreation and Tourism is responsible for the statewide development and implementation of cultural, recreational, and tourism programs (La. R.S. 36:201.B) and its Office of Tourism is statutorily mandated to “encourage and promote tourism and the tourist industry for the benefit of the people of this and other states and as a developing economic resource; and shall cooperate with local tourist promotion and convention agencies. . .” (La. R.S. 36:208.F); and

WHEREAS, the Contractor is a political subdivision of the state, statutorily authorized to “do all things necessary for the promotion and the advertisement and publication of information relating to tourist attractions within its jurisdiction” (La. R.S. 33:4574); and

WHEREAS, in accordance with La. R.S. 51:1254, the Louisiana Office of Tourism is responsible for the design, plan, development and implementation of the effective and accurate promotion of Louisiana’s history, culture, art, folklife, recreational and leisure opportunities, natural and scenic resources, transportation, cuisine, sites, attractions, accommodations and events. The LOT is also mandated to encourage and assist local governmental and private sector development for the promotion of tourism; and

WHEREAS, the Office of Tourism’s Cooperative Marketing Program (CMP) was developed and designed to fulfill the LOT’s governmental purposes and statutory mandate; and

WHEREAS, the Louisiana Travel Promotion Association (LTPA) is a private, non-profit, membership trade association that leads the private sector growth of the Louisiana tourism industry; and

WHEREAS, the LTPA creates, coordinates, and offers the tourism industry cooperative marketing programs, including consumer and trade advertising; and

WHEREAS, the LTPA has created a 2013/2014 Marketing Plan tailored specifically to Louisiana’s tourism industry. The Plan reflects LTPA’s marketing research and rate negotiations to ensure expenditures are researched-based and discounted, when compared to buying directly through the publications on print and web advertising for over thirty-five eligible (as outlined in the CMP application) publications and media outlets; and

WHEREAS, the LTPA will receive a percentage of the cost of the media purchased by the Contractor from the 2013/2014 LTPA Marketing Plan, which funds will be reinvested by the LTPA in programs that educate and promote the tourism industry, which further supports the public purposes and statutory mandates of the State; and

WHEREAS, at this time, there is no other entity that offers a researched-based comprehensive marketing plan tailored to the promotion of Louisiana's tourism industry that offers media purchases at a discounted rate to the Louisiana tourism industry; and

WHEREAS, in accordance with the Office of Tourism's Master Plan to expand and increase the economic impact of tourism in Louisiana through strong and effective public initiatives, the State desires to cooperate with the Contractor in the implementation of a cooperative advertising program designed to leverage state and local tourism funding; and

WHEREAS, in fiscal year 2014 under the guidelines of the Cooperative Marketing Program, the State will reimburse the Contractor for up to 50% of the Contractor's cost of purchasing approved media through the LTPA 2013/2014 Marketing Plan, as well as other media pre-approved by the State, up to a maximum amount of \$15,000.00; and

WHEREAS, it is anticipated that the public benefit of maintaining awareness and a positive image of the state as a unique and desirable travel destination through this cooperative marketing program is proportionate to obligations to be undertaken by the State, which obligations benefit the Louisiana economy and tourism industry at the state and local level.

NOW, THEREFORE, in consideration of the mutual covenants herein contained, the parties hereto agree as follows:

continuation of the Agreement, the Agreement shall terminate on the date of the beginning of that first fiscal year for which funds are not appropriated.

Agency Name: DCRT, Louisiana Office of Tourism
Contracting Party: Jeff Davis Parish Tourist Commission
Contract Monitor: Lindsey Schmitt, Program Manager

Detailed Goals and Objectives:

The LOT is specifically authorized to establish and support cooperative advertising programs (La. R.S. 51:1255). Cooperative advertising is a system by which advertising costs are divided between two or more parties. In this Cooperative Advertising Program, the State encourages local tourism convention and visitor bureaus (“CVBs”), tourist commissions, destination marketing organizations (DMOs), or regional partnerships of CVBs and/or DMOs, to advertise the local tourism “product.”

CVBs are political subdivisions of the state, statutorily authorized to “do all things necessary for the promotion and the advertisement and publication of information relating to tourist attractions within its jurisdiction” (La. R.S. 33:4574).

The tourism product is any activity or experience a tourist may participate in. For the LOT, the tourism product includes all of the communities, attractions, features, experiences, and events in the entire state of Louisiana. For a local CVB/DMO, the tourism product includes the communities, attractions, features, experiences, and events within its jurisdiction.

The LOT Cooperative Marketing Program is administered in part through the nonprofit travel industry association, Louisiana Travel Promotion Association (LTPA). The LOT is statutorily directed to cooperate with governmental agencies (e.g., CVBs) and nonprofit associations (e.g., the LTPA) to market Louisiana as a tourism destination. The LTPA Marketing Plan is a result of LTPA’s media research which identified media outlets appropriate for Louisiana tourism promotion. The media placement rates offered through the 2013/2014 LTPA Marketing Plan were negotiated by LTPA and, therefore reflect discounts below published rates for placing media in the selected outlets. Revenues generated by the LTPA are re-invested in activities that complement and enhance the statutory duties and public purposes of the LOT and the CVBs, namely the promotion and expansion of tourism in Louisiana.

It is more efficient for the LOT to encourage local CVBs to advertise their own tourism product (which is part of the state’s “tourism product”) and then provide a 50% rebate to the CVB for those ads, than it would be for the state LOT to buy an ad to promote the local CVBs tourism product (again, which is part of the state’s “tourism product”) at the full price of the ad plus fees for media research and/or media commissions.

Deliverables:

- The Contractor will deliver the invoices, proof of placement, proof of acknowledgement of the State’s support, 6-month progress report, final report and other supporting documentation described in the Scope of Services.

Performance measures:

Performance measures will include the results derived from the marketing efforts, such as: number/frequency of advertisements placed; the circulation of publications in which advertising is placed; the number of inquiries/leads received from advertisements' "calls to action" (e.g., website visitation, telephone inquiries, etc.); increased brand recall and awareness; increased local and state-wide visitation.

Contract Monitor: Lindsey Schmitt

Monitoring Plan:

- Contract Monitor will work with the Contractor to ensure its understanding of the State's requirements so that the Contractor can participate in the Cooperative Marketing Program.
 - Contract Monitor will ensure the advertisements are placed and the deliverables are delivered in accordance with the terms of this Agreement.
 - Contract Monitor will review and verify submitted invoice(s) prior to authorizing release of payment.
 - Contract Monitor will ensure the completion of a Performance Evaluation within 45 days of the completion of contract services.
-

Final Utility of Service:

The marketing and advertising benefits that will result from this cooperative endeavor comply with the goals and objectives of the Louisiana Office of Tourism to increase the awareness of Louisiana as a tourism destination, to promote and assist expansion of tourism and the tourism industry in Louisiana, and to cooperate with local tourist promotion and convention agencies.
