To the Owner of Ehricht & Associates, LLC  
and the Peer Review Committee of the  
Louisiana Society of Certified Public Accountants

I have reviewed the system of quality control for the accounting and auditing practice of Ehricht & Associates, LLC in effect for the year ended September 30, 2015. My peer review was conducted in accordance with the Standards for Performing and Reporting on Peer Reviews established by the Peer Review Board of the American Institute of Certified Public Accountants. As a part of my peer review, I considered reviews by regulatory entities, if applicable, in determining the nature and extent of my procedures. The firm is responsible for designing a system of quality control and complying with it to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. My responsibility is to express an opinion on the design of the system of quality control and the firm's compliance therewith based on my review. The nature, objectives, scope, limitations of, and the procedures performed in a System Review are described in the standards at [www.aicpa.org/prsummary](http://www.aicpa.org/prsummary).

As required by the standards, engagements selected for review included engagements performed under *Government Auditing Standards* and audits of employee benefit plans.

In my opinion, the system of quality control for the accounting and auditing practice of Ehricht & Associates, LLC in effect for the year ended September 30, 2015 has been suitably designed and complied with to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. Dear Mr. Ehricht:

It is my pleasure to notify you that on July 22, 2016 the Society of Louisiana CPAs Peer Review Committee accepted the report on the most recent system peer review of your firm. The due date for your next review is **March 31, 2019**. This is the date by which all review documents should be completed and submitted to the administering entity. If your due date falls between January and April, you can arrange to have your review a few months earlier to avoid having a review during tax season.

As you know, the report had a peer review rating of pass. The Committee asked me to convey its congratulations to the firm.

Sincerely,  
SOCIETY OF LOUISIANA CPAs
